Activities:

Mercedes-Benz Thailand's activities include the importation, assembly, sales and customer services for Mercedes-Benz passenger cars and vans. Beside the importation, assembly and distribution of passenger cars, Mercedes-Benz (Thailand) provides full maintenance, repair and customer services facilities. Mercedes-Benz C-Class, E-Class, and S-Class vehicles as well as the latest Plug-In HYBRID models, the C 300 e, E 350 e and S 560 e, and driving performance models, AMG C 43 4MATIC Coupe and AMG GLC 43 4MATIC Coupe are assembled in Thailand. To cover customer demand, we also import a variety of premium models ranging from A-Class, CLS, SLC, GLE Coupe, E-Class Coupe and Cabriolet, S-Class Coupe and Cabriolet, G-Class, V-Class including Mercedes-AMG and Mercedes-Maybach. The Mercedes-Benz network organization includes 36 authorized dealers and 3 service centers nationwide, which are supported by Mercedes-Benz Leasing (Thailand) Co., Ltd with an attractive wide range of financial services.

Background:

Mercedes-Benz (Thailand) Limited was founded on January 14, 1998 and operates under the auspices of Daimler AG, in Stuttgart, Germany. Daimler AG is one of the world's most successful automotive companies. With its divisions Mercedes-Benz Cars, Daimler Trucks, Mercedes-Benz Vans, Daimler Buses and Daimler Financial Services, the Daimler Group is one of the biggest producers of premium cars and the world's biggest manufacturer of commercial vehicles with a global reach. As a pioneer of automotive engineering like no other trademark in the automotive world, the star symbolizes perfection, fascination and responsibility. True to Gottlieb Daimler's maxim "The best or nothing," Mercedes-Benz is playing a leading role in shaping the premium segment and the future of green technology, safe and sustainable mobility.
